

## Rules for Getting Around on Campus

While on campus and not in their rooms, students are required to wear their ID cards on their lanyards that they receive at Check-in.

Students are allowed to walk on their own (or in groups) between the Residence Halls, DeRosa University Center, academic and co-curricular event locations.

On the first days, students are chaperoned to and from lunch by the academic staff and are required to stay together.

Throughout the program, students who prefer to be chaperoned between the Residence Hall, the DeRosa University Center, the academic and co-curricular event locations, can request it from university staff.
